

HILLYARD CCAP[®] - Case Study

Lowell Area Schools

"I walked into the district being a new member and the custodial team was facing contracted services. Moving forward with CCAP allowed the district to reorganize existing assets, add new equipment and chemicals and then allowed me to prove production and costs."

Steven Turnbull
Director of Facilities

Vital Statistics

- Buildings 12
- Cleanable Sq. Ft. 664,000
- Staff: 440
- Students: 4,000

How Did Hillyard CCAP Help?

CCAP Promotes Standardization

- Standardized products and cleaning procedures helps save time and control costs.
- Standardized training is available to all sites on their schedule.

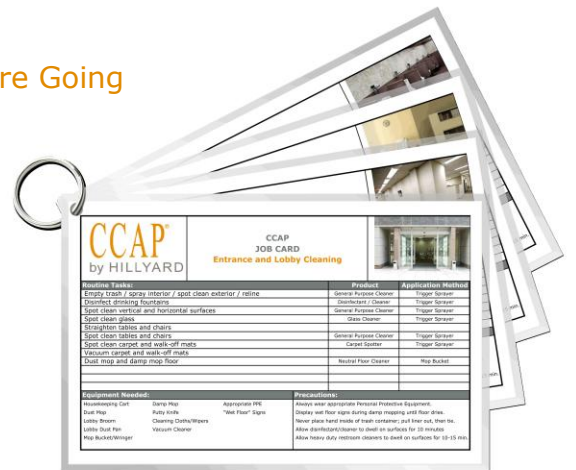

CCAP Puts Everyone on the Same Page

- Equitable workloads create a level playing field.
- Quality control tools help everyone stay on track.

CCAP Helps Determine Where We Are and Where We're Going

- Industry comparison for production and standards.
- Evaluate the effects of changes before implementation.

CCAP Provides Custodial Training and Certification

- CCAP helps us maintain a higher level of cleaning.
- CCAP helps us control our cleaning costs.
